Summary

I'm a enthusiastic Fresher as an AI developer with a strong core of Python ,C ,Java and various technologies including Machine Learning, OOP's, HTML, basics of Prompt Engineering. I am passionate about delivering innovative solutions and Continuously seeking growth opportunities through which I bring a strong commitment to excellence.

Education

- B.Tech AI & DS - CGPA 8.65*, Currently pursuing Artificial Intelligence and Data Science in Kongu Engineering College.
- Grade 12 - 86.2%, Graduated in March 2023, The Ashok Leyland School, CBSE.
- Grade 10 - 88.2%, Graduated in March 2021, The Ashok Leyland School, CBSE.

Projects

- **Machine learning project - "Ted Talk Recommendation System Based On Collaborative Filtering "**

The enormous flow of information on social media makes finding preferred content challenging. A machine learning-based recommender system can group similar users (collaborative filtering)to enhance the accuracy and relevance of recommendations

- **Java project - " Library Management System "**

This Library Management System is an terminal run system which uses Java and SQL to manage book inventory and transactions with JDBC for database connectivity. It applies object-oriented principles to create an efficient solution for real-world library management.

Area of Interest

- Generative Ai
- Data Structures And Algorithms

In plant Training

Completed In plant training on learning java and python at Unique Technologies   July 2024

Achievements

- Winner, 1st Place in Paper presentation conducted by the AI Association at the Newels Competition, Kongu Engineering College,Sept 2024
- Finalist, Ideathon 2024, IEF, Kongu Engineering college, Oct 2024.
- Finalist, HCS , AI Coding Club (AICC) , Kongu Engineering College, Oct 2024.

Languages

- English
- Tamil

Programming Languages

- Python
- Java
- C
- HTML/CSS

Technical Skills

- Machine Learning
- OOP
- Prompt Engineering

Leadership - AIDS department, Placement Co ordinator, 2024 - Present

-Executive member - IEF Kongu Engineering College, Aug 2024 - Present
